## Rock Hill Capital Invests In Cement Head Provider

HOUSTON—Rock Hill Capital Group has announced an equity investment in Blackhawk Specialty Tools LLC.

Based in Houma, La., Blackhawk provides premium automated top drive cement heads and related equipment and services to deepwater oil and gas companies operating in the U.S. Gulf of Mexico and Brazil, Rock Hill describes. The firm says Blackhawk has an experienced management team led by President and Chief Executive Officer Billy Brown.

“We are pleased that Billy and his team selected Rock Hill as their new equity partner,” comments Randal B. Hale, Rock Hill’s founder and managing director. “Billy and his team represent everything we look for in a partner: a seasoned operator with a proven track record in building a successful business.”

Brown says, “We were fortunate to have a number of respected private equity firms interested in our business model and are excited about the opportunity to partner with Rock Hill. Rock Hill has a proven track record of helping companies grow and expand their business and shares our philosophy of building long-term relationships with its business partners.”
